RE: FOIA REQUEST TO EPA HEADQUARTERS

Dear Sir or Madam:

This is a request under the Freedom of Information Act to review certain documents related to compliance with the Multi-Sector Industrial Permit for Stormwater by certain industrial facilities. **This request is limited to information available through EPA's NOI Processing Center. Please be advised that this request seeks information from EPA Headquarters ONLY. Please Do Not Forward This Request to EPA Region 1.**

I am willing to pay a reasonable fee for this request. **Please bill me under the Public Interest category**, as Attorneys Nora Chorover and Martin Levin of this office represent Clean Water Action, a non-profit organization, in this matter.

I do **NOT** need information that is presently publicly available on EPA's NOI database website (<http://cfpub.epa.gov/npdes/stormwater/noi/noisearch.cfm>).

For each of the facilities/tracking numbers listed below, I am requesting any and all reports available through EPA's NOI Processing Center (which I understand is staffed by Avanti Corporation) that were submitted by the above facilities concerning the General Industrial Multi-Sector Permit for Industrial Stormwater Discharges at any time between **January 1, 2009 to the present and the date of your response**, including:

1. Discharge Monitoring Reports;
2. Annual Reports;
3. Corrective Action Reports;
4. Exceedance Reports;

5. Notices of Intent [NOIs] to be covered by the Multi-Sector Permit (unless already publicly available on the NOI database website); and
6. Other reports, communications and documents specifically concerning the relevant facility/tracking number that are not otherwise publicly available on EPA's NOI database website.
